This agreement between Webs-a-gogo, a division and trademark of NetLineAmerica, Inc. and _____ (hereafter called "business"), requires Webs-a-gogo to provide space and services to be used for business/personal for WEB presence under the following terms and conditions to which all parties agree as indicated by their signatures below.

1. Business can host a commercial web site on Webs-a-gogo/NetLine America, Inc.'s WWW Server. The server is connected to the net via dedicated lines. The business will provide the Hyper-Text Markup Language (HTML) files. NetLine America, Inc. is not responsible for the content of business file area. Business will comply with all state and federal laws, including, but not limited to copyright laws. Business agrees not to publish on or over the service content which infringes upon the rights of others, is profane or sexually offensive to a reasonable person, or that would be considered abusive. Webs-a-gogo/NetLine America, Inc. reserves the right, in its sole discretion, to terminate or delete any information on your site or in the alternative to terminate this contract and your presence on our server and upon such termination the only liability of Webs-a-gogo/NetLine America, Inc. would be to refund the unused portion of your prepaid contract, pro rata.

2. Business shall indemnify and hold Webs-a-gogo/NetLine America, Inc. harmless for any and all claims that may be made against NetLine America, Inc. which result from or are alleged to result from conduct by business.-

3. This contract includes the following hosting package:

4. All CGI scripts used in your site must be approved in advance of use by NetLine America, Inc. The minimum contract period is three (1) month, payment is required in advance. Hosting fees commence at the date of this agreement as disk storage space is necessary for the setup and/or building of website. Additional disk space is available at an additional fee. Back-ups are made on a regular basis by NetLine America, Inc. The business is responsible for maintaining and troubleshooting the content of its file area and the content thereon.

5. Domain Name, Domain Setup fees, along with first quarter hosting fees is required along with this agreement in order to create your web account. HTML services (building websites) are labor based fees, and require 50 percent of estimated fees to be paid in advance in order to begin work. Any remaining balance for HTML services must be paid upon completion. Billing date will be the time of completion. Business/customer will be notified of completion at the email address listed above. Publication of site to the web will follow only after verbal or written approval by Business/customer. HTML fees for site which is unpaid by the business after 7 days of completion will result in website hosting interruption by automated system and attempt to collect agreed fees. Based on verbal description of desired result, estimated cost for html programming fees are \$_____ represented by an estimated _____ hours at 50.00 per hour. Anticipated hosting fees will be \$_____ per quarter, or \$_____ per month. Cost for setup will be \$_____.
